Free CAT Mock Test 1 Try second CAT Mock Test, Powered by IMS, to assess your preparation level and time-management skill. Free CAT Mock Test 2 Also Read: Read More: Q: What is the benefit of online CAT mock test? A: Practising CAT mock test is beneficial for improving speed and accuracy in solving the question paper. It also helps the candidates in identify gaps in their preparation and work upon them. Q: Where can I get official CAT mock test? A: The official CAT mock test will be released after the registration process is over. The official mock test for CAT 2022 can be accessed on the official website from October onwards. Q: How many CAT exam mock tests should one practice to score well in the exam? A: Experts recommend that aspirants must practice at least 35-40 CAT mock tests to score well in the exam. However, candidates must decide the number depending on their control and confidence on topics as the exam comes closer. Q: From when should I start solving online mock tests for CAT 2022 exam? A: Candidates should start solving mock tests after completing the CAT syllabus. September is the ideal month to start solving CAT mock tests. There will be ample time for them to practice mock tests, work on their weak areas and do revision. Q: How many online mock tests for CAT 2022 should I attempt in a day? A: Th aspirants should solve only one CAT mock test in a day. After each mock test, they should analyse their performance and identify the gaps to fill. This process is helpful in gaining control over tougher topics of CAT syllabus. Q: What is the benefit of solving sectional-CAT mock tests? A: Sectional mock tests for CAT help candidates in timing themselves accurately for each of the three sections of CAT. There is sectional time-limit in CAT, which means every section of CAT is allotted a certain duration. The moment that duration is over, the computer screen moves to the next section. If the candidate hasn't completed the section and saved answers, the entries will be lost. This is why, sectional mock tests for CAT exam are important. They help in mastering the art of time-management. Q: Can I access official CAT mock test, without registering for the exam? A: The official CAT mock test will be accessible to only those candidates who will register for the exam. Candidates who do not register for the exam can practice free CAT mock tests and offline question banks by Shiksha. Q: Will there be sectional time-limit in the CAT mock test too? A: Yes, the mock tests will have sectional time-limit just like the actual CAT exam. A CAT mock test is the replica of the actual CAT exam, so that the candidate is well acquainted with the exam structure and test flow. Q: Do coaching institutes provide online mock tests for CAT preparation? A: Yes, MBA coaching institutes provide online mock tests to their students. There are also mock test series available online for purchase. Aspirants can practice free CAT mock tests by Shiksha too, link to which is available on this blog. Q: How do I analyse my performance after solving CAT mock test? A: After attempting each CAT mock test, check how many questions you could solve accurately in the given time, questions on which topics took more than one minute to solve, how much time it took to read RC passages and which were the questions they could not attempt. Q: How many CAT mock tests should I practise for scoring 99+ percentile? A: It is up to the capability of each candidate to decide how many candidates should they solve to score 99+ percentile. Some experts say 30-40 mock tests should be solved, while some say 50. However, one should keep in mind that, they need to keep practicing until they start scoring 99 percentile in mocks. When they start scoring 99 percentile in the mocks consistently, they can increase the score to 99+ in the final CAT exam. CAT Percentile predictor prepared by Shiksha.com helps students to get their predicted CAT percentile on the basis of their expected exam score.
